Language	Ms. Zitouni	Wed 1:45-2:30	Contact Advisor

Attendance

Excellent attendance is essential to student achievement. Please work with your scholar and impress upon them the importance of signing into every class everyday.

Virtual Community Service

<https://www.idealist.org/en/careers/how-to-virtual-volunteering>

Open Spaces and Family Time

The counseling team hosts drop-in groups every Wednesday at 6PM rotating weekly between English and Spanish throughout the year. We cover all types of topics and conversations and the goal is to support one another during these difficult times.

United Families/Familias Unidas

For more details, contact Ms. Toni Cardona 929-277-8829;
tcardona@integrationcharterschools.org

Juniors:

SAT SCHOOL DAY: April 27, 2021 @ Nicotra. All juniors (only) will be provided with the opportunity to sit for one FREE SAT exam through the NYC DOE initiative.

More details to come.

Tutoring

We will be starting our tutoring program on Monday, February 22nd. The program will be as follows:

- Every Monday and Friday from 1:45 - 2:30PM open for all students and all classes including Theater and Movement.
- Tuesdays and Thursdays from 1:45 - 2:30PM By invitations only based on data and monitoring improvement in the Thursday/ Friday plan (Shared with RTI)

Teachers will create a link and will place it in the same document that we will send to students.

Math tutoring will be using a common link for Mondays and Fridays and will use a personal link on Tuesdays and Thursdays to work with their student specifically using data from map, midterm and class assessments.

[History tutoring with Mr.Liquori](#) - Monday and Fridays. (Tuesdays and Thursdays by Invitation only.)

OUR INSTRUCTIONAL FOCUS:

If teachers working collaboratively design **clear learning targets** aligned to state standards and motivate and inspire students to take **ownership and responsibility of their own learning** in an integrated and inclusive environment **THEN** students, by using **success criteria and rubrics**, can craft their own learning goals and become **assessment capable learners** thereby accelerating their readiness for college and career.
